## Distinction of Alpha Finance

Thomson Reuters Extel Surveys announced on 8.6.2011 the results of Extel Europe 2011.

For a second year in a row, Alpha Finance ranked:

- 1<sup>st</sup> in the "Equity Sales" league table,

while also ranked:

- 3rd in the "Country Analysis" league table,
- 3rd in the "Corporate Access" league table.

The overall results vindicate Alpha Finance's ongoing efforts and commitment towards delivering a high quality equity research and sales product offering, to a highly demanding and sophisticated institutional clientele base.

The detailed results are depicted in the following table:
